Executive Summary

The Forrest School Parents and Citizens Association Incorporated (P&C) is responsible for the provision of a range of services to support the families at Forrest Primary School. These services include Forrest Out of School Hours Care (FOOSH), uniform shop and canteen.

The canteen committee consists of members of the P&C/parents of the school in a volunteer capacity, a school representative and the Canteen Manager.

The canteen is open Tuesday-Friday during school time. The canteen relies heavily on volunteer help, and support is much appreciated. It performs a community service, provides variety for the children, and also raises funds for the P&C, who as a not for profit organization channels the profits back to the school community.

The school canteen provides a safe and hygienic food service and complies with applicable ACT government school food policies and appropriate food safety standards.

The canteen operates in a manner respectful of students, teachers and parents.

The climate of the canteen is positive, supportive, welcoming and encouraging.

The welfare of our students is paramount at all times. The canteen is a resource for the school in ‘healthy eating’.

Green and amber foods make up the menu. Green foods are used wherever possible. Red foods are allowed once per term.

Canteen profits support the P&C fundraising initiatives for school resources, and the canteen is expected to be at a minimum financially self-sufficient.

Quality equipment and facilities are built up to improve the viability of the canteen.

We are a nut free school and allergy aware canteen. We maintain information on individual children’s food allergies and intolerances (as advised by parents).
