ADMINISTRATION

I have read the Family information booklet and agree and understand the policies and philosophy of FOOSHC, where play is the primary focus through which children are encouraged to take risks and explore their play spaces. Whilst at FOOSHC your children will be given opportunities to create and build with various Loose Parts, use tools, climb and explore heights, discover and experiment with the elements. Through our knowledge and expertise of children and play we know that children learn through play so therefore we plan for the possibilities of play. I am aware that a full policy document is available at the FOOSHC office or more information is available on the website **www.forrestpandc.com** if I require further information on FOOSHC operational policies.

I understand that our child will not be accepted back into the centre until a 'clearance certificate' is issued from a Medical Practitioner. I further understand that fees will still be charged at this time and are payable.
